

Practical suggestions for continuing and enjoying your Bible memory program:

1. Select short, easy, **meaningful** verses to begin with.
2. Set a **winning pace**--A pace you can keep up with.
3. Quote your verses to a **listener** each week. (Have a set day and time to meet).
4. If you obtained verse cards from us, you don't have to learn the verses in order nor do you have to memorize all of them--**it is your program.**
5. It's best to have a **set time** to work on your verses daily. You can also memorize while walking or traveling.
6. **Set a goal, review the rewards**, and be accountable to someone.
7. **Share with others** what God is doing in your life, explain the method and ask others to try it for a few weeks.
8. **Call or write** if you need **more verse cards**, there are 11 verses packs in print, see the enclosed for details.
9. We also have my message on "How to Memorize Scripture and the Rewards" on **cassette tape** for \$3.00 and on **video** for \$10.00. These are nice to loan to others.
10. **Please call** if you want more brochures or handouts.
